MAJOR INTERNATIONAL PUBLIC STAMP AUCTION

Saturday 17th March 2018

commencing 1pm

following the Jim Shaw Public Auction at 10.30am

West Plaza Hotel, Wellington, New Zealand

Welcome to our 31st sale. This bi-annual auction should prove to be amongst the most interesting we have held, whilst smaller in estimate value to our October 2017 sale. We are honoured to feature stamps from several major collections, some with instructions to "clear". All lots are new to the market, not having been offered by us before.

- 1906 1d Claret Christchurch Exhibition "used" CTO.
- Approx 2,000 Full Face Queens.
- Over 120 collections.
- 1996 Teddy Bears x 12.
- Good selection of 1931 Arms MUH including a 35/-.
- Interesting and extensive NZ accumulations.
- Over 4,200 NZ Advertisement stamps
- Extensive GB
- Interesting 1960's China
- 146 album World collection offered as a special low reserve, on behalf of the Archdiocese of Wellington, following a bequest.

We are certain that there is something for everyone in this sale.

We urge collectors planning to attend this sale not to leave their viewing until the day of the sale as not too many people can view the same item simultaneously – so come on the Friday – or arrange to view prior to Wednesday 14 March at our premises in Otaki! We are only 20 minutes from Paraparaumu Airport and ten minutes from Waikanae commuter railway station. We can pick you up from either! (By appointment only).

Like last year's sale we expect a huge interest with a large number of room bidders. My thanks go to Chris Burt, David Smitham, Alan Jackson, Maree Malin, Ken Markham and Simon Smelt, who have produced another great catalogue, ably assisted by our office staff of Jan, Keren, Lyndell and Jane. We look forward to your participation in this sale and wish you well with your bidding.

A Collector's Accumulation

The following 40 lots are offered on behalf of the Archdiocese of Wellington following a bequest. Each lot has a special reserve of 50% of estimate.

Amongst the 146 albums (the vast majority of which are 32 pages/64 sides stockbooks) are a few "straight" collections; however, the majority comprise circa 1980-2017 MUH Worldwide new issues - sets, miniature sheets, booklets and sheetlets etc, and as when acquired other stamps, eg. viewers may find a set of King George VI definitives in between stamps issued in 2007. Also, there is no relation between descriptions giving start and end countries in an album., eg "Australia to Congo" the stamps at the start of page 1 are Australia, and may be followed by Germany, Samoa, Cuba and Pakistan etc, with the last stamp in the album being from Congo. Very few stamps are used - and are likely to be NZ. The vast majority of stamps are MUH. Inspection advised!
