CONDITIONS OF SALE

1. We shall accept bids offered by mail, e-mail, telephone or facsimile.
2. The highest bidder shall be the purchaser (subject to reserve, which is normally 65%-80% of estimate). If two bids are received for identical amounts on any lot, the first bid received shall be awarded the lot.
3. **Bids** shall advance in the following increments:

Up to \$100	\$5 increments
Over \$100	10% increments, or at our discretion.

 Bids shall be accepted only in these advances; odd amounts if offered will be reduced to the nearest acceptable increments.
4. **Bids** will be used to their maximum value only as competitive bids require. Where two or more identical lots are listed, we reserve the right to transfer a bid from one lot to another if this is in the bidder's interests.
5. We reserve the right to refuse any bid.
6. "Buy" bids will not be accepted (in the event of two such bids on a single lot, an impossible situation would exist).
7. We will accept alternative bids for one of several lots if the bidder's intention is made clear.
8. We reserve the right to sell more than one lot where multiple lots, identical to the description, are available. This shall not apply to an illustrated lot.
9. By placing bids in the auction, the bidder is entering into a binding contract to purchase all lots he is awarded.
10. **Maximum purchase value** may be nominated by bidders. This figure must be noted in the bid form - when the limit has been reached all further bids will be cancelled.

12. **Buyers from outside New Zealand** undertake that neither they nor an associated person will cause the purchased goods to be re-imported into New Zealand in substantially the same condition in which they were exported. This means that GST will not be charged on their purchases.
13. **Delivery** shall be made to bidders upon receipt of payment. Postage and packing is at purchaser's expense and unless otherwise requested, dispatches will be mailed: Inland (NZ) by ordinary mail; overseas by airmail; all dispatches valued over \$1,000 by registered mail or courier.
14. **Lots** are listed on a simplified basis, unless otherwise stated.
15. **Guarantee:** Each lot is guaranteed to be genuine and as described. Descriptions of condition are opinion, and we recognise that opinions vary and that errors occur. Should purchasers suspect a lot is not as described, they should notify the Auctioneer within 7 days of receipt of the item. A replacement, refund or credit will be arranged. The following lots are not returnable:
 - (a) Items which were illustrated in the catalogue are not returnable for matters of centering, postmarks, perf defects (ie. visible faults).
 - (b) Stamps which have been immersed in water, or subjected to any chemical process subsequent to the sale. If necessary the opinion of a mutually acceptable authority shall be sought, and such opinion shall be final.

WELCOME TO OUR 500TH POSTAL AUCTION

When I produced a small Postal Bid Auction list of 176 lots way back in October 1973, little did I think 45 years later I would be producing Auction number 500 with bidding by mail, fax, phone and internet!

In the interim, our business has grown. With 15 staff, we not only produce monthly Postal Bid Auctions of Stamps but hold regular Public Auctions of Stamps, Coins and Banknotes.

In 45 years we have sold in excess of \$30 million worth of Stamps through our Postal Auctions and \$25 million through our International Public Auctions which started in 1993. Of course we have also sold much more over this period through the House of Stamps, Stanley Gibbons Australia/Mowbrays Australia, World Wide Fund for Nature, Tokelau Philatelic Bureau etc. In all we would have sold in excess \$100 million worth of Stamps.

To all of our customers over the years, my staff and I say THANK YOU!

John Mowbray
